- **PCN24 CP27** – Code of Ethics for PCN Certificate Holders:  
Please ensure you read through the PCN code of ethics, and name date and sign the back of page 2.
- **PCN24 PSL30** – Log of Experience :
  - Please read through this carefully to ensure you understand the experience requirements.
  - You must have your PSL 30 signed off by a colleague/supervisor who holds a current certification in the method you are seeking – stating their name, certification number, email address and phone number.
  - You must also have this signed off by a current employer – This may be the same person who is signing off your experience if applicable.
  - Please ensure that the log is completed in detail and you have correctly stated the dates and number of days you are claiming.

If you are unable to provide this information at the time of completing the course, or do not yet have the experience, there is no need to complete this form.

QMTS will provide you with your Certificate of Training and Results Notice. The Results Notice will then reflect – Experience Not Met.

When you have gained sufficient experience that you have had signed off after attending a QMTS course, you will need to submit this directly to BINDT on the PCN24 PSL57C application form. The application form can be downloaded from the BINDT website:

<https://www.bindt.org/Certification/PCN24download/>

Please be aware there are costs associated with the submission of your experience after completion of training. If you get stuck completing either the PCN24 PSL57A Initial Application or PCN 24PSL30 Log of Experience, please do not hesitate to contact our office on 08 9309 1331 one of our friendly admin staff will be able to assist you.
